

GATORLINK PASSWORD

This tutorial will go over how to change and/or reset your GatorLink password. Make sure to choose **Change Your Password** if your password is not expired. If your password is expired choose **Forgot Your Password**.

STEP 1

Visit <https://account.it.ufl.edu/>

Choose one of two options below dependent on your situation:

CHANGE YOUR
PASSWORD

Go to Step 2

FORGOT YOUR
PASSWORD?

Go to Step 3

Please Note:

Staff with a security level of **P4** or above will not be allowed to change your password without assistance from UFIT. Please see below for more information.

- **P4** – Call UF IT Help Desk 352-392-4357.
- **P5** – Visit UF IT Help Desk.
- **P6** – Call UF IT Help Desk, you will be referred to another department.

STEP 2
