<tr>
<td>Enter your device information:</td>
<td>Mobile Phone</td>
<td>To install the application on your <a href="https://it.ufl.edu/2fa/get-started/">mobile phone</a> or <a href="https://it.ufl.edu/2fa/get-started/">tablet</a>, go to the app store on your device and search for DUO Mobile...</td>
</tr>
</tbody>
</table>

Depending on the device you are enrolling, there are different setup processes for each one.

**Mobile Phone**

**Tablet**

**Landline**

Application Install Links:

- [iOS Installation](https://it.ufl.edu/2fa/get-started/)
- [Android Installation](https://it.ufl.edu/2fa/get-started/)
- [Windows Installation](https://it.ufl.edu/2fa/get-started/)

Continued on next page...
Step 7

Mobile Phone/Tablet

After Installation, open Duo Mobile on your device.

After the app confirms that you have enrolled, you can select “Continue,” and then “Dismiss.”

What it looks like:

When you log into any ufl.edu webpage or application, you will be prompted to authenticate:

Choosing “Call Me” will call your device, from (352) 392-4357. It will ask you to press 1 on your phone to log in.

If you choose “Passcode”, you can click the Green Key inside the Duo Mobile App and it will show you a six digit code to enter on the webpage.

By choosing “Send Me a Push” it will send a request to your device and you have to click Approve.

Step 8

Select your preference when you log in with your GatorLink account.

What we recommend

When you log into any ufl.edu webpage or application, you will be prompted to authenticate:

Choosing “Call Me” will call your device, from (352) 392-4357. It will ask you to press 1 on your phone to log in.

If you choose “Passcode”, you can click the Green Key inside the Duo Mobile App and it will show you a six digit code to enter on the webpage.

Step 9

Additional devices can be added to help authenticate your account:

HIGHLY RECOMMENDED!!! Add additional devices to ensure that you can always have a way to access your account!
